

First announcement:

The 6th Annual NTNU NanoLab Meeting

Highlighting nanoscience and nanotechnology

Time: November 16th 2011

Place: Lecture Hall MTA at the Medical Faculty

The purpose of the meeting is to give an up-date on the activities within nanoscience and nanotechnology at NTNU and to promote cross-disciplinary research.

The 6th Annual NTNU NanoLab Meeting will focus on:

- Bionanotechnology and Nanomedicine**
- Nanodevices**
- Green energy nanotechnology**

The programme will consist of contributed presentations and posters.

Deadline for submitting abstracts (maximum 1 page) for oral presentations and posters: October 28th to hanna.gautun@nt.ntnu.no.

The meeting includes lunch and is open to everyone, free of charge.

Registration is, however, necessary for practical reasons.

Deadline for registration: November 5th to hanna.gautun@nt.ntnu.no.

All are welcome!
